

**ADVERSARY PROCEEDINGS**  
**UPDATED JULY 2006**  
**CM/ECF VERSION 3.0**

There are six categories found under *Adversary* on the CM/ECF menu bar.

1. *AP/MP Case Opening* is used to initiate an adversary proceeding. See separate docketing instructions under *CM/ECF Event Instructions*.
2. *Answers/Responses* contains two sub-categories: (a) *Motions/Applications* which contains Objection and Response events. Please see the **Objection/Response Event List** for more information; (b) *Complaint/3rd/Cross/Counter* which is used to file an Answer to Complaint, Answer to Third Party Complaint, Answer & Cross Claim or Answer & Counter Claim. See separate docketing instructions under *CM/ECF Event Instructions*.
3. *Appeals* - See the *Appeals Event List* for more information.
4. *Motions/Applications* - See the *Motions/Applications Event List* for more information.
5. *Misc. Events* - See the *Miscellaneous Events List* for more information
6. *Complaint* - The chart below lists the events in the *Complaint* category.
